

WORK BOOT REIMBURSEMENT FORM

A work boot reimbursement of \$50.00 is offered once every 12 months to employees for the purchase of work boots. The work boots must be lace up boots and either steel or composite toe boots. Employees are required to fill out the work boot reimbursement form and attach a copy of the receipt from where work boots were purchased to receive the reimbursement. The reimbursement will be added to the employees check as a nontaxable add-on.

Name (Print): _____ Date: _____

Signature: _____

No specific brand is required, a good quality boot is recommended and you may purchase boots anywhere you like. Work boots must meet the description above. If you prefer to shop online here are a few resources:
